

BARANGAY HISTORY

Barangay Bantug is located in the southwestern part of the town of Talavera. The said barangay was founded in the year 1968. The first settlers of the barangay were Ilocanos from the provinces of Ilocos Sur, Ilocos Norte, La Union and Abra. The place before has many trees and wild grasses, giving them a very long time to clear the place, and ready for planting vegetables and palay.

The first dwellers of the place were Simeon Villaflor, Juan Villaviza, Crispulo Garcia, Feliciano Garcia, Andres Rodiel, Victor Aquino, Andres Vana, and Maria Viterbo.

During the first year of tilling the land, farmers here found so many problems like water shortage. The land is of sandy-loam type, so it is expected that water here easily subsides and besides, Bantug is a little bit higher than the other places surrounding it

Since the place is very difficult to water, the residents usually utters, "Sapay ngata kastoy iti daga nagBANTUGin", until such time that the place was named "Bantug" and was considered by the then Gobernadorcillo.
